OSHA 10-Hour General Industry Voluntary Compliance Course

**BUSINESS
SOLUTIONS CENTER**

Sponsored By: Montgomery County Business Solutions Center

This seminar is designed as a cost-effective means for management to learn about 10 of the most common and dangerous topics, that may affect their facility. Seminar attendees will learn how to comply with OSHA's most demanding standards, as outlined by OSHA. An OSHA authorized instructor will conduct the course. The course is designed to give you the information you need to meet OSHA standards and to establish a pro-active safety program.

**Dayton, Ohio
July 12th and 13th**

Time: 8:00am - 3:00pm

**Business Solutions Center
1435 Cincinnati Street
Suite 300
Dayton, Ohio 45417**

Chamber Members: **\$79**

Nonmembers: **\$99**

The following topics plus additional safety information will be covered:

- How to handle an OSHA Inspection
- Introduction to OSHA, OSH act/General Duty Clause
- Personal protection equipment – Hazardous Assessment
- Fire Protection – Emergency Action Procedures – Means of Egress
- Machine Guarding
- Electrical Safety – Lockout/Tagout
- Hazard Communication/Right to Know
- Safety and Health Programs
- OSHA Record-Keeping Requirements (300 log, SSD, and others)

Who should attend this seminar?

- Safety Directors
- Plant Managers
- Safety Committee Members
- Health & Safety Coordinators
- Human Resources Managers

Upon completion of the course, you will have a better understanding on what it takes to have a safety program that meets OSHA requirements. You will also have a better understanding of the following areas:

- Fundamental OSHA standards for general industry
- OSHA policies and procedures
- And much more
