

# OSHA Protocol: Being Prepared for an OSHA Inspection

**Sponsored by: Kirby Risk Mechanical Solutions & Services**

Are you ready if OSHA was to walk through your facility's front door?

An OSHA inspection can be a scary thing. During this class you will learn how to best prepare yourself in case an OSHA inspector is to walk through your facility. The better prepared you are for an inspection; the more likely it will go smoothly. OSHA fines can cost a company anywhere from hundreds of dollars to hundreds of thousands of dollars. Our goal for this class is to help you be better prepared for an OSHA inspection.

**Lafayette, Indiana  
July 17<sup>th</sup>, 2019**

Time: 11:00am - 12:00pm

**Kirby Risk  
Mechanical Solutions  
714 South 1<sup>st</sup> Street  
Lafayette, IN 47905**

Chamber Members: **\$15/person**

Nonmembers: **\$25/person**

## Training will contain:

Training will provide an understanding of how you can prepare yourself and your facility if OSHA was to perform an inspection.

Handouts outlining tips and expectation of an OSHA inspection will be provided.

There will be time for open response that will allow you to ask questions that you may have.

## Who Should Attend?

- Human Resource Managers
- Safety Directors
- Plant Managers
- Safety Committee Members
- Health & Safety Coordinators
