Powered Industrial Lift Truck Training Classroom

OSHA 29 CFR Subpart N – Materials Handling and Storage, 1910.178 describes methods to use for compliance with powered industrial lift truck operations, maintenance, inspection and training.

This is to certify that I have attended the above training program which has informed me of the following:

- _____ Common forklift accidents
- _____ Safety procedures for picking up loads.
- _____ Safety procedures for traveling with loads.
- _____ Safety procedures for stacking and dropping loads.
- _____ Safety procedures for operating smaller lift devices.
- _____ Discussion on lift truck capacity, load center and center of gravity.
- _____ Lift truck classification.
- _____ Safety loading/unloading procedures.
- _____ General safe operating procedures.
- _____ No smoking on or around a fork lift or any industrial powered equipment.
- _____ No rider on a fork lift.
